New Dojo – not happening

If you have not heard yet the new dojo will not be happening at this time. Before we started we got basic estimates for the build, went to the bank, accountant and based on the estimates got preliminary approval.

By the time the city had finished we needed to upgrade all the sewer, water and power to that side of Norwell and the cost of the build grew by over 500k to more than 2 million dollars.

After looking at everything we decided we could not afford to move ahead at that cost. We are now selling the property and will be looking for a larger commercial place that is already built.

The good news is we have a lot for sale with plans for 4000 sq ft of commercial & 3 condos. It would be a great place for a lawyer or doctor to set up shop.

BC Winter Games

From February 25<sup>th</sup> to the 29<sup>th</sup> we will be having 6 students from Shima representing us at the BC Winter Games in Penticton. They are as follows:

- Coen Francis
- Mackenzie Khakh
- Kyra Gillette
- Jason Valchar
- Caelin Haapala-Wilson
- Allie MacIntyre

Good luck to all of you.
