New Karate Dojo on the way

Well it is pretty much official, we will be building a new dojo over the next year or so. It will be located at 2912 Norwell Dr (about 200 feet away from the old dojo). We will be working on paperwork with the city for the next 4-6 months and then should start building. The new dojo should be about twice the size of our present home. We may be having a few work parties to help make it happen so stay tuned....

Pan American Championships

Sensei & Sempai Brenda will be heading to Toronto to run this year's Pan American Championships.

They expect about 400 competitors from 26 different countries to be there for this 3 day event.

I have been asked to be the Tournament Director and Brenda has been asked to be the lead Marshall.

After this we will be home for one day and then be heading off for a seven day holiday in Cuba. I think by this time it will be needed.

With the exception of Spring Break changes the dojo will run as normal with Sempai Scott, Sensei Maximchuk and the other Sempais taking up the slack.

Train hard
We will see you in a couple of weeks.
